

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 987 - SB 1048**

March 30, 2017

**SUMMARY OF BILL:** Requires the Division of Strategic Technology Solutions (STS) within the Department of Finance and Administration (F&A) to conduct a feasibility study in conjunction with appropriate policy centers and personnel of state universities for the creation of a statewide information database to operate as a central repository for information currently maintained by state and local agencies. Requires STS to report its findings to the General Assembly by December 1, 2018.

**ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Exceeds \$100,000/One-Time/  
Strategic Technology Solutions Fund**

Assumptions:

- F&A reports that this type of study will require the Department to contract with an outside consulting firm to lead and manage the study.
- Based on information provided by F&A, the one-time increase in state expenditures from the Strategic Technology Solutions Fund is estimated to exceed \$100,000.
